February Newsletter 2020

"A love of learning has a lot to do with learning that we are loved." Fred Rogers

Registration for the new school year for returning students and their siblings will start on March 16. You will find the registration forms in your child's cubby that week. Forms need to be returned to Jo Cantwell by April 9. New families will begin registration on April 22. Please do not be late in handing in your registration as schedules fill up quickly. Summer school forms will also be included.

WE  BOOKS!

Recently we organized our school library and are in need of more books to refill our shelves. If you would like to donate a gently used or new book to our library to remember your family by we would greatly appreciate it.

Please sign and dedicate your book from your family to our preschool family.

Starting January 2020 there are new California licensing requirements for immunizations. All children entering and continuing at the preschool must be up to date on their immunizations. Only approved medical exemptions are accepted. Personal and religious beliefs are no longer accepted.
