

## Application Request for Funds

The purpose of the Foothills Foundation Fund is to encourage members to practice Christian stewardship of our accumulated resources in thanks to God for all of God's good gifts. We acknowledge that we are merely stewards, rather than owners, of these gifts. Earnings from this fund will be used to help meet our responsibilities as a church in Mission. These earnings are to be used for Ministry Needs outside the annual budget, and include support for:

- Research and seed money for new creative ministries and projects
- Christian discipleship and stewardship programs
- Funding Mission in and beyond our local community

**Instructions:** Please complete the application. If you need additional space, use additional pages as needed. Return the application to the church office to the attention of Foothills Foundation.
